*History Challenge offers Students
a chance to win Cash & Awards*

Submit an original essay, poem, painting, sculpture, needlework, music, dance routine, drama, skit, science project, or other creative idea. In short, almost anything as long as it's about history. (Except AI-generated projects, which do not qualify. This entry must be YOUR work alone!)

The competition is open to all Hunterdon County students in elementary and high school, including homeschoolers. It is sponsored by the Hunterdon County Historical Society and the local chapter of the Sons of the Revolution. The deadline is December 31, but entries will be accepted starting September 1.
